

What Counsel Say About Jerry Roscoe

"Thanks to JAMS and particularly Mr. Roscoe for assisting with this settlement. Mr. Roscoe did an excellent job, with even-handed, candid and helpful comments at just the appropriate pace, without giving any sense of pressure to my client. It was effective and appreciated."

"Jerry is one of the best—if not the best—mediators; he's masterful. He handled the parties expertly, with just the right combination of persuasion, logic and conviction. He helped everyone relax and gained the confidence of the parties, who then followed his advice. Jerry handled the two emotional and angry plaintiffs perfectly, letting them vent their frustrations and then bringing them to the point where they could finally commit to settle. They had resisted any attempts to settle, even by their own attorney, for many months. Jerry was the only one who could secure a demand from them."

"Mr. Roscoe was effective & efficient. His style was excellent in having the parties discuss together the issues, goals, and how to proceed. Overall, it was a very good way to help move the parties & process along."

"I would recommend him to any party, plaintiff or defense, who is considering the mediation of a complex medical malpractice case. He has finely honed mediation skills coupled with an in-depth knowledge of the subject as well as a fair and balanced approach, which is invaluable. I recommend Jerry Roscoe without reservation or equivocation."

"I have only the highest regard and excellent reviews for Jerry Roscoe, and I have great respect for the professional contribution he has made in the various mediations I have had the privilege of participating in with him. “I have been engaged in the practice of law for nearly 25 years. I know from experience that it is rare to find a mediator for complex medical matters who doesn't first need to be educated about the medicine before tackling the difficult diplomatic dynamics that are inevitably required in such situations. In Jerry Roscoe, I was fortunate to find someone who possesses both skills in abundance.”
